Dear Cary there are so many wonderful things I have to say! Because you Del Valle!

your person is so special and I want you to know that your friendship truly means alot to me! You were there to listen to my problems, my hurting problems when I lost my supposedly "Best Friend!" and you gave me an advice that I never receive from no one else! For this I thank-you! I thank-you because you open my eyes, gave me so much security in me, myself (confidence) and by your acts, personality, you, your person told me what a friend really is! You are so special and Thank-You! your true beauty, your way of speaking to people really makes you beautiful!

Caridad may God always bless you; lead you through the best passage ways and always take care of you! Cary someday I will become famous (singer) and may we both become successful and be at the highest tip of the star! All I've said I truly mean! (top heart bottom) I wish I could really pay back all the time you wasted listening to my problems; if ever you need something from a friend, let me be the first one on your list.

Love always — Rosie / Rocio / Ramos

ARE TEACHERS REALLY HUMAN?
BETWEEN THE INNOCENCE OF BABYHOOD AND THE CONQUEST OF THE ADULT WORLD, LIES A "TEACHER". THEY ARE AS ANCIENT AS ADAM . . . AS MODERN AS TELEVISION . . . AND AVAILABLE IN ALL SIZES . . . MALE AND FEMALE . . . FROM COLLEGE-FRESH 21 TO EXPERIENCED 65 YEARS OF AGE. TEACHERS ARE FOUND EVERYWHERE—IN CLASSROOMS AND CARS, AT THE FOOTBALL GAMES . . . DANCES . . . BOWLING . . . AND AFTER SCHOOL. LITTLE GIRLS LOVE THEM. LITTLE BOYS HATE THEM. SOPHOMORES IGNORE THEM. JUNIORS TOLERATE THEM, AND GRADUATES APPRECIATE THEM. NOBODY ELSE KNOWS SO MUCH, AND IS CREDITED WITH KNOWING SO LITTLE. NOBODY ELSE IS A MIND READER, PROSECUTING ATTORNEY, MASTER OF TACTICAL WAR-FARE, COUNSELOR, BUREAU OF INFORMATION AND IS STILL KNOWN AS A SLAVE DRIVER SUPREME. TEACHERS LIKE NEAT DESKS, NEAT PAPERS, COMBED HAIR, OFF PERIODS, PERFECT ATTENDANCE, RAPT ATTENTION, AND HOLIDAYS AND VACATIONS. THEY DON'T LIKE NAMELESS PAPERS, EATING IN CLASS, TARDINESS, TOO MUCH MAKE-UP, ACTIVITY DAYS, FIRE DRILLS, SMART ALECKS, OR CHEWING GUM. A TEACHER IS HAPPIEST WHEN EVERYONE UNDERSTANDS THE LESSON, SADDEST WHEN THERE IS A HUGE STACK OF SMUDGY TESTS TO GRADE . . . SLOWEST WHEN GOING TO HALL DUTY . . . FASTEST WHEN NO ONE IS READY FOR THE TEST, YET NICEST WHEN YOU'VE DECIDED TO HATE HER, AND THE MOST LONG-WINDED WHEN KEEPING YOU AFTER CLASS. GOD ENDOWED TEACHERS WITH THE SLYNESS OF A FOX, THE VOICE OF A BULL ELEPHANT, THE STUBBORNESS OF A MULE, THE KEEN SIGHT OF AN EAGLE, AND THE LIFE SPAN OF A TURTLE. WHO ELSE CAN CAUSE MORE GRIEF, EMBARRASSMENT, IRRITATION, AND DESPAIR: BE HATED, IGNORED, KNOCKED AND GOSSIPED ABOUT, YET SEEM SO WONDERFULLY SYMPATHETIC AND SO TOLERANT WHEN THE WORLD IS A MESS AND YOUR SELF-CONFIDENCE IS CRUMBLING? YES . . . TEACHERS ARE NERVE- WRECKING NUISANCES, JUST TASK-MASTERS TO BE ENDURED, BUT WHEN GRADUATION IS OVER, AND ITS TIME TO FACE THE WORLD, WE ARE THANKFUL FOR THE KNOWLEDGE AND UNDERSTANDING OF THE MOST INFLUENTIAL AND DEDICATED PEOPLE IN THE ENTIRE WORLD . . .

OUR TEACHERS.

An inexperienced kid, you welcomed me
And as my second family, you became to be.
You taught me of love and caring
Not to mention, the essence part of sharing.

Through circumstances, by my side you were there
Taking time off just to show that you really care.
You challenged me in my studies
And helped me accomplish most of my duties.

You helped me mature in all possible ways
Taught something special each new day.
Thanks to Bishop Conaty
A mature young woman is what became of me.

Special friendships developed here at Bishop Conaty.
The kind that will last throughout eternity.
You've given us memories for every trick, joke, or dare
Memories for every laugh we did share.

Treasuring these memories even when we're apart;
Keeping them close both in mind and heart.
Thanks for the memories, Bishop Conaty-
Memories of us, a united family

One thing is for sure to me,
Although the world is full of doubts-
Bishop Conaty and family
A place for growth, is what you're all about.

JULY 29, 1985 the P.S. concert with Mike, trying to smuggle in the goods in my skirt. Seeing Virgie and Jenny there too and embarrassing them in front of a few thousand people. Being in a room next to John, Andy, Michael, and not knowing it until it was too late. Meeting Curtis King that night and Paul, Mark, and the drummer of Frankie Goes to Hollywood. OUR LAST GOODBYES.

FOR JUST A MOMENT

We laughed until we had to cry,
and we loved right down to our last goodbye.
We were the best,
I think we'll ever be,
just you and me,
for just a moment.

We chased that dream we never found,
and sometimes we let one another down.
But the love we made,
made everything alright,
we shone so bright,
for just a moment.

Time goes on,
people touch, then they're gone.
And you and I,
will never love again,
like we did then.

Someday when we both reminisce,
We'll both say there wasn't
too much we miss.
And through the tears,
we'll smile when we recall,
we had it all,
for just a moment.

Time goes on,
people touch and then they're gone.
But you and I,

will never really end,
will never love again,
like we did then.

We laughed until we had to cry,
and we loved right down to our last goodbye.

CARRYING THE TRADITION

For the past years, its been one of Conaty's favorite traditions to dress up for Halloween. Here, the Sophomores show their spirit and great pride for Conaty by dressing up in their favorite Halloween costumes. In doing that, they portray the zany side of their personalities as well. There's no doubt the Sophomore class reflects the image of the Conaty girl and shows everyone what Conaty is all about!

TRYING TO FIT IN

Freshman, quietly sitting at the beginning of Conaty's first pep rally, try to figure out what's going on. "Why?" seemed to have been the class motto the first week of school. But this blessing of silence lasted a very short time. Slowly the personality of each and every freshman shined through, as illustrated by Araceli Corral and her sexy look. Well, that's as sexy as it gets on a freshman!

THE C.C.U.-CONATY CARE UNIT

The Conaty Care Unit is made up of girls who really care for people, although all of us care, but these girls who join the club want to take time of themselves to help other people in need. This club is known for its outstanding christain service it has done in the past. Their purpose and goal is, "to provide christain service both to our school community and our outside community." The club meets monthly, or more frequently as needed. Their funraise sales are: College propoganda, donut and pizza sale, and candy gram. Non-funraise are going to orphang home, convelence home, UNICEF-which was a big success, and the blood drive. Every year Conaty and Loloya sponser the blood drive at Loloya High School. The two schools work together in unity and hard to make this drive a success. The American Red Cross Association and Everybody of the World like to thank the C.C.U. and Loloya for their "BIG HELP" they have given. Thanks A Million C.C.U.!

Spearheaded by its officers and moderator, the Library Club is an organization dedicated to serve the student body. As Sr. Helen Clare, the moderator, says, "The club is here for the students' use. The club helps the students to get involved with the library, to get the true meaning of why it's here." The Library Club gives fundraisers year round to help the members go towards earning their B.C. pin. One of the future plans the club has is to change the name from "Library Club" to "Cassiodoraus" (a famous saint).

Student English Association (S.E.A.) first started last year as a small club made up of juniors and seniors. The basic purpose for this club is to understand literature in a "fun" way. The activities of this club range from poetry contests, a field trip to the Huntington Library, and fundraisers. The future goals for S.E.A. are to expand its club members, work side by side with the Journalism Club, have more field trips and attend Shakespearian Plays. S.E.A. has grown in many ways and will continue to grow throughout the years!

Our "TOTALLY AWESOME" Jaguar Squad performing their famous puramid during the Chino High School competition.

Cheerleading here at Conaty is alot of hard work for the girls on the team. The girls on the team are: Maris C., Sagarail E., Janet M., Edna D., the captain, Shario N., Marisol M., and Sylvia A. We are all very proud of the spirit, pride and enthusiasm they put forward to give us all the Conaty "pep and go". The Cheerleaders have done a great deal of work so that they deserve all the credit for keeping us spirited when things were "down" for us. They also went to camp and won a trophy for which they all worked very hard for. We thank the cheerleaders for all they have done and to keep up the "great" work. You're simply "awesome."

Cynthia Mata had an idea one day — "why not have a drill team?" So after going through the proper channels, Cynthia and fellow classmates' dream came true. The idea for a drill team was approved. Sister Kathleen (sponsor), Cynthia Mata (captain), and Gilma Tovar (co-captain) all joined together with various Conaty students to produce one of the best exhibitions of talent and spirit that Bishop Conaty has ever had!

DRILL TEAM 1986-1987

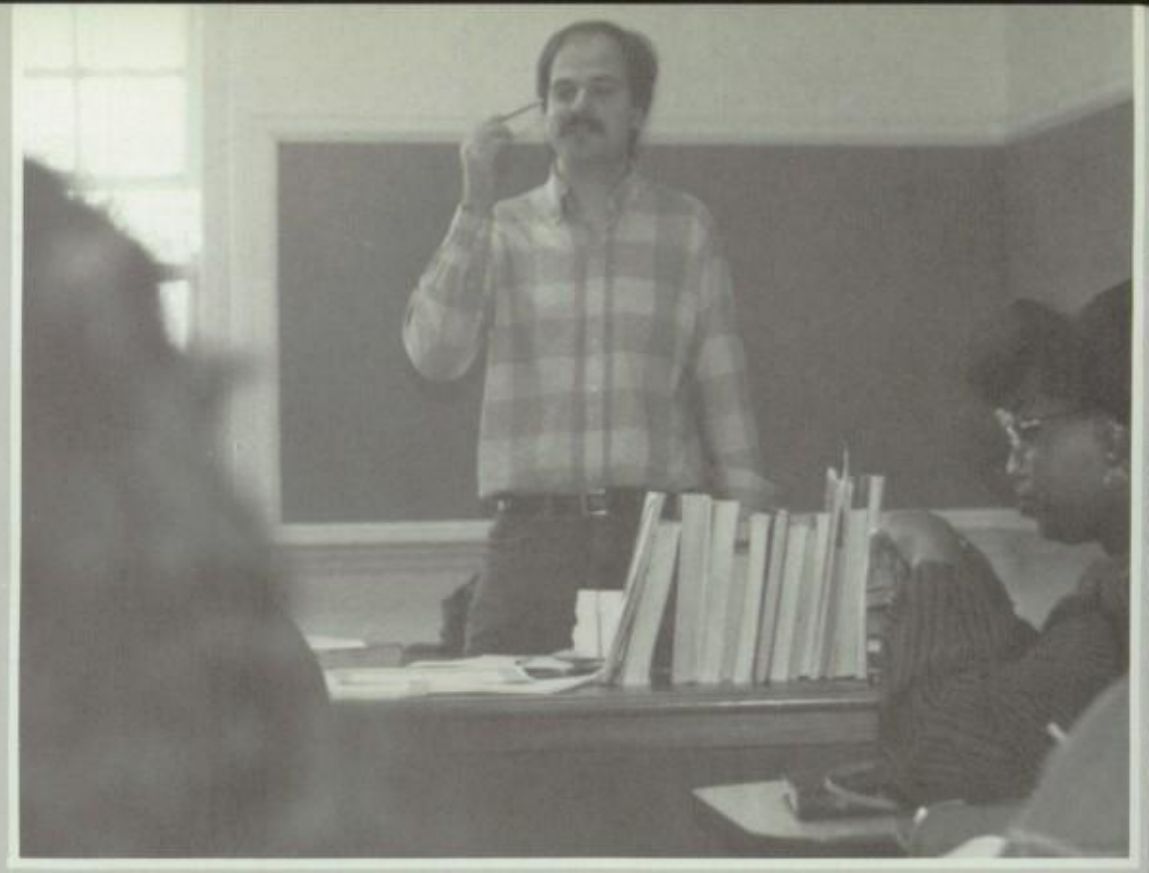
"The drill team is a marvelous way for the students to express themselves in a creative way. It gives them the opportunity to discipline, structure, and team work; all of which will be helpful to them in their future lives!" — Sr. Kathleen

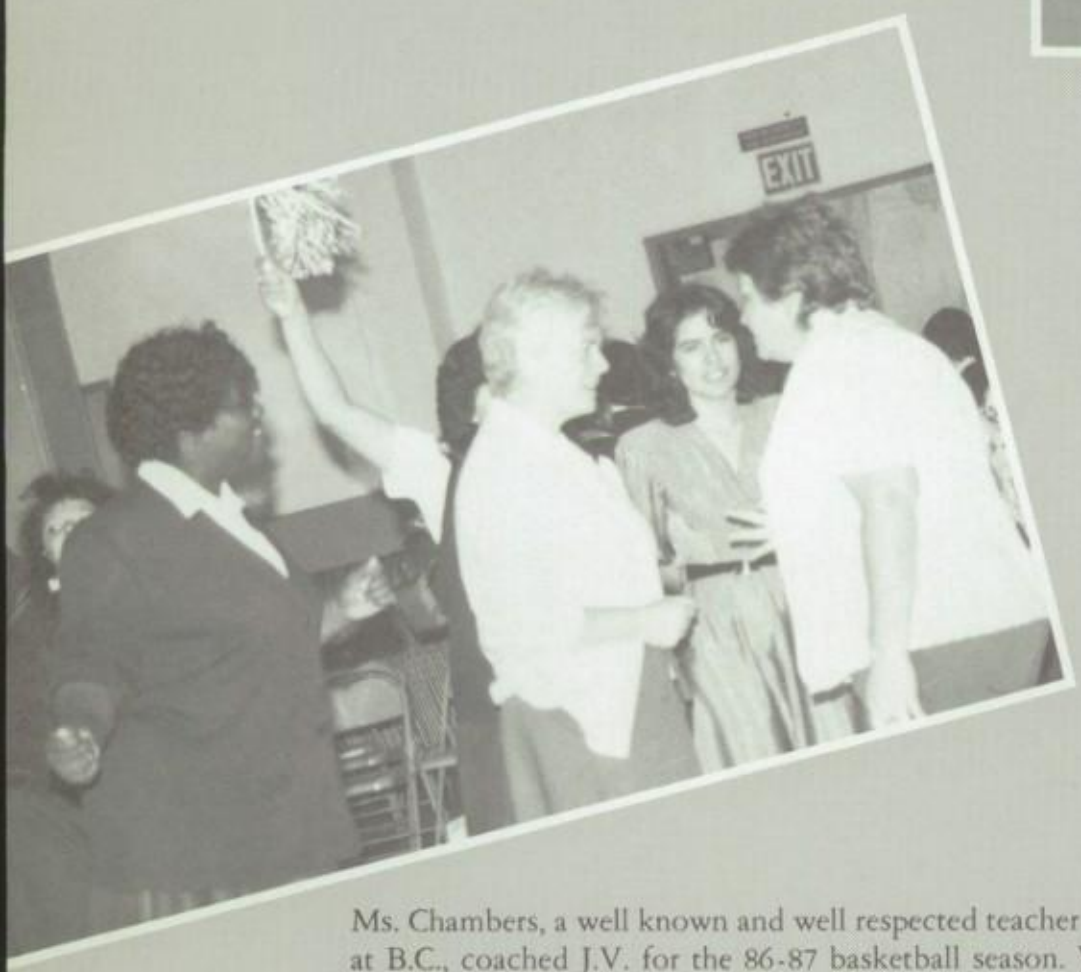
"I am very honored and proud to be a part of this pioneer program. I would like to give my fullest gratitude to Sister Kathleen. If it wasn't for her we wouldn't be what we are today!" — Cynthia Mata

CONGRATULATIONS ON A JOB WELL DONE!

First year as a coach and as a teacher here at B.C., Mr. Aberle coached the varsity basketball team. He taught the team new plays. And strategies to use during the games, with the help of his knowledge, the team came home with victories and we're able to defeat the first team in the league.

Mr. Aberle looks on as the team scores.





Ms. Chambers, a well known and well respected teacher here at B.C., coached J.V. for the 86-87 basketball season. With her help and Mr. Aberle's experience, both teams were able to win games.

AN INTERVIEW WITH MRS. BERG

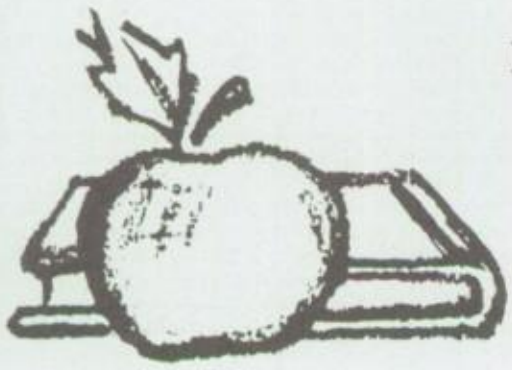
What is your main goal in teaching the students?
To teach them to appreciate literature and reading. I hope that with my help they become better writers.

How do you hope to achieve this?
I hope this will be achieved by doing it myself in order for them to see how important it is.

What is the one thing you want the girls to gain from your classes?
I want them to appreciate the different aspects of life.

What do you do to make your classes more interesting than other English classes?
I try to get the students involved and help them relate to what I'm talking about. I try to make it as interesting as possible by telling stories and by the use of humor. I'm sympathetic to the student's needs and do not demand or expect too much from them.

Mrs. Berg's classes are more than just classes, they are like a relationship and she treats each student with respect and concern. She likes to see people with good attitudes towards learning and with smiling faces. She believes that having a good time in her class is very important.
Mrs. Berg would like to be remembered as a nice, happy person who loves what she is doing and is concerned with the well being of her students. She hopes that Conaty students do not judge her by the context of her "jokes".



INTERVIEW WITH MRS. WELCH

What do you hope the students will learn from your Drama class?
I hope they gain an interest in reading a variety of plays and perhaps attending some theatre later in life with a better understanding of the work involved.

How do you plan to achieve this?
Through a variety of activities that will give samples of plays and exercises and historical facts about the theatre.

What sort of projects do you have planned so that they get a feel for what Drama is really like?
They prepare and perform pantomimes, oral interpretations, speeches, scenes from classic plays and their final project, rather than an exam, is a monologue which they memorize and perform on stage.

What do you feel you have to offer to your students as a teacher?
Most importantly, I have a love for theatre that I always hope to instill in others. Of course, I also have a variety of experiences both onstage and backstage so I am able to relate stories and warnings about the theatre as a career!

I hope Drama class creates an interest in students to pursue careers in the media world and provides a nice dash of variety and creativity to the student's day. After all, I can't think of any other class in the schedule which requires you to be a part of a human pinball machine one week and recite a Shakesperian chorus the next!

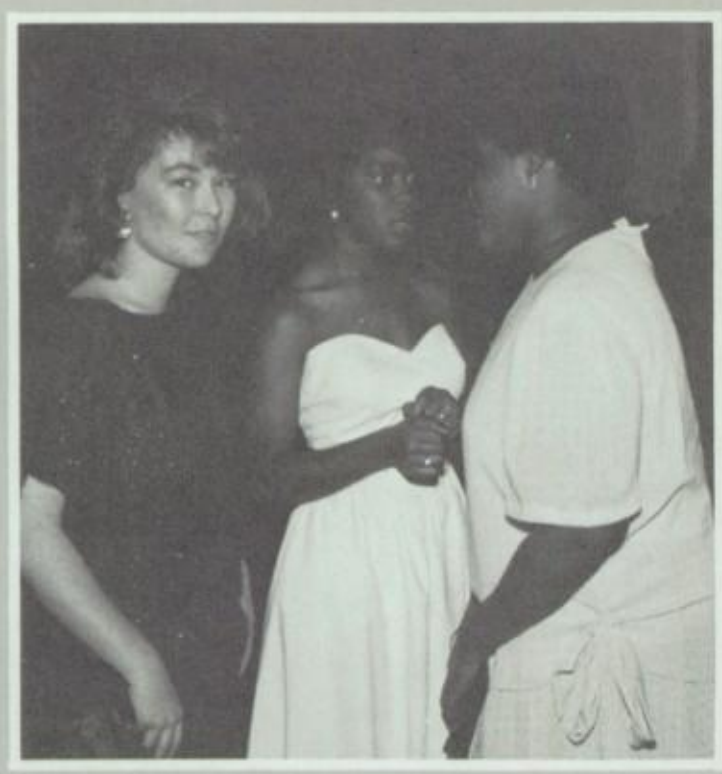
WELCOME DAY-86

This was a very special event for both the seniors and their freshman little sisters. It was a day when the big sisters initiated their little sisters. A special luncheon between the seniors and the freshmen was held to get to know each other.

While the seniors and the freshmen had their luncheon indoors, the Juniors and the sophomores had their own parties as well.

HALLOWEEN ACTIVITY

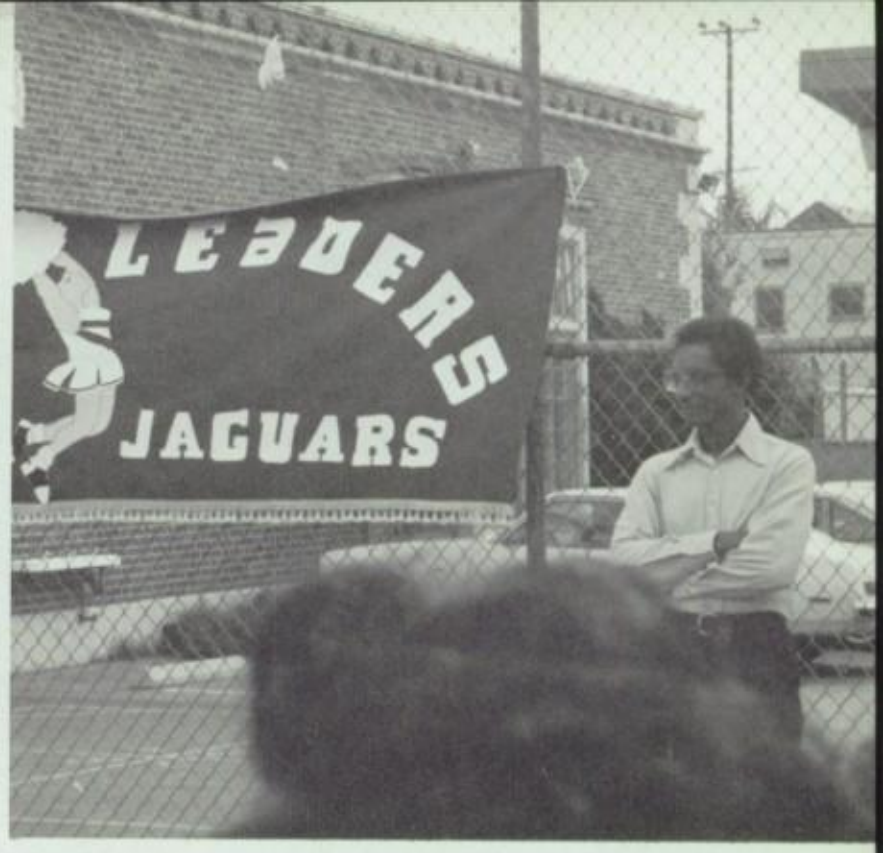
On the day of the thirty-first of October, students of Bishop Conaty came to school in different types of costumes. On this day we had activities going on. There was a contest on the best costumes, they were judged on the most scariest, funniest, and original. One of our winners were Heidi Rose and Maria Ramos. We also had other activities going on. We watch a movie called "The Fall of the House of Usher.", students enjoyed it alot. This day was a very exciting day for all of us.



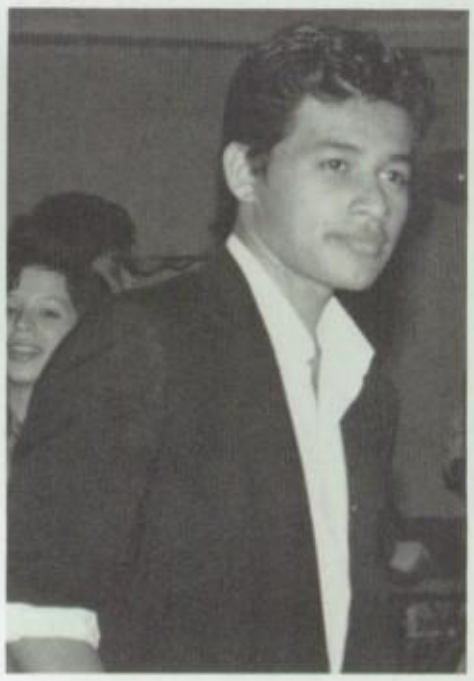
Bishop Conaty's dances is our way to celebrate all seasonal holidays and other occasions. We have the Welcome dance for the new freshmen, the Valentine Day dance, Christmas dance, Senior Farewell, and even our Father/Daughter dance. We come together to have lots of fun. We come to support the class or club giving the dance. We share smiles, hugs, and even dance steps. We welcome all brother schools and other girl schools to help make our dances, here at Conaty, ones we would always come to remember.

LITURGIES

Here at Bishop Conaty liturgies are a special part of our lives. We hold them dear and special to us because they help represent our Catholic ways. Liturgies help us to think about all the wonderful things that God has done for us and give us a time to reflect back on things past. Liturgies help us to understand our life as Catholics. It gives us a chance to thank God for this wonderful way of life he has given us. At Bishop Conaty we hold liturgies dear to our hearts not just as an everyday event. Here at Bishop Conaty we care about our religion and enjoy having liturgies.



BISHOP CONATY'S RALLIES ARE INTENDED TO BOOST THE TEAMS TO VICTORY. FULL OF SPIRIT AND CONATY PRIDE THE STUDENTS ATTEND THE RALLIES AND SHOW WHICH CLASS BEST SUPPORTS ITS TEAM. BASKETBALL, VOLLEYBALL, AND SOFTBALL SEASONS ARE ALWAYS INTRODUCED BY A RALLY. THE CHOCALATE DRIVE COULD NOT BE AS BIG A SUCCESS WITHOUT A LIKE "CONATY PEP & GO". CONATY'S CHEERLEADERS ARE A MAJOR PART OF THESE RALLIES WITHOUT THEM SUCH SUCCESS COULD NOT HAPPEN!



CONATY'S JUNIOR CLASS AND CATHEDRAL'S JUNIOR CLASS HELD AN OUTING ON NOVEMBER 21, 1986. THE EVENING CONSISTED OF A PRAYER SERVICE, DINNER, AND A DANCE. THE STUDENTS WERE PAIRED OFF BY NUMBERS, THEN PLAYED ICE-BREAKER GAMES. EVERYONE ENJOYED THE SHARING OF IDEAS BETWEEN THE TWO SCHOOLS.

FOR BLANCA A. MENDOZA

Sitting here alone just thinking about the past, the best year of my life that slipped away so fast. Growing up with you was the best thing for me. You taught me to be myself and the best that I could be. I remember all our arguments that you would always lose, about who wrote the last letter, and what happened that was good or bad news. They're just a memory, of me and my big sis together, faithfully. (I'm so glad you chose me.) So please take *All* my love and a great big hug and kiss 'cause you deserve the best in Life, my one and only big sis.

I Love Ya,
Your Lil Sis,

Dear Efrain,

I'd like to tell you how much I love you, and I hope you know that I do . . . I wish that the words I speak so gently to you could be heard by your heart with the same meanings and the same soft feelings of love that they carry from deep within me. For more than you know . . . I love so many things about you. I love more than just the way you hold me and the warmth you give; more than the silly ways we act sometimes that make the lives we live so full of thanks and smiles. More than you know . . . you mean so much to me. You're the brightest part of my evening, you're a light that helps me see my way, you're the one I want to wake beside, you're the thought that gets me through the day. More than you know . . . I think of so many things we've done. The time we met, the wonderful ways we got acquainted, I remember the first time we said that we loved each other and the special days we've spent since then. More than you know . . . I enjoy sharing life with you I enjoy the way we balance each other out, how we share the good times and support each other through the tears, I enjoy the knowledge that we'll make it through what ever life brings with courage and with love through the years. More than you know . . . I'm glad that we can be ourselves with each other, and that we can say the things we honestly feel. I like the way we are together, the way we've made a wish come true and a dream become real. More than you know . . . and more than I can ever say, I feel a wonderful thankfullness in my heart . . . just for you. And I want to remember, though my thoughts don't always convey and my feelings don't always show, I love you and I always will . . . more than you know.

Love,
Anabel

Dear Baby,

Well first of all, I want to congratulate you for all your accomplishments in Conaty. I know that it is sad for you to leave Conaty-all your friends. But we must move on with our lives. I'm really proud of you and you've known this all along. I also want to take this time to tell you that I'm glad we're still together, without you my life would be incomplete. Throughout our years together I've learned to accept you as you really are. There will never be another person like you in my life. And for this reason I often tell you that I love you so much and if we ever separate for some reason I would never forget you. I also often pray to God and ask him to continue keeping us together, for the rest of our lives because this is *my dream*. I also ask him to be with you always and protect you from any harm—since it is impossible for me to do it myself. I wish you the best in your college years. And lastly, remember that I love you no matter what happens. Please continue being the honest, loving and understanding lady *for me* . . .

Your loving boyfriend,
Carlos Ortega

Dear Carlos,

Babe, I've finally made it! And you know how much this means to me. Carlos I want to thank you for always putting up with my moods throughout our years together. You have really shown me what love and trust is all about. Babe there are so many things that I can tell you now but I prefer to summarize it all with a short poem that says exactly what my feelings for you are: -There aren't enough words to tell you I love you. Not enough ways to show I care. Not enough laughter and good times to wish you, not enough wonderful moments to share . . . a million bright mornings would not be too many. Warm evenings forever would still be too few . . . I want you and need you so much that it seems there aren't enough days in a lifetime with you!!

-Babe, I know we've been together so long now, but I don't care cause my love for you will never get rusted or boring -And you can sure count on that.

I Love you,
Nancy Rodriguez

To All My Cool-o's,

You guys, how can I put into words what I'm feeling right now? When I think of graduation and of how much I'll miss all of you, tears roll down my eyes. The Lizard's life will never be the same without you dingies. You are the best friends anyone could ever ask for. You stuck with me through thick and thin and were always willing to help me. At times I acted as if I didn't need you guys but you knew I did. You guys made me laugh and you guys made me cry. I always felt that all of us together were one. At times we separated and pretended we didn't care. I don't know who we were fooling because the caring was always there. You guys, we made it through four years of getting busted, running to class, copying homework and getting pissed off at eachother. I have some really good memories of this school and of you guys. Now that another tear starts rolling down my cheek, I say to you guys I love you and that love will never die!

Love Ya,
Elizabeth C.
(Lizzard)

"Time goes on. People touch and then they're gone. But you and I will never really end, and never love again like we did then!"

To my Family,
For all your love, support, and encouragement throughout the years, but most especially for accepting me the way I am and loving me anyway. No one could have asked for a finer family and truly God has blessed me with all of you.

To Rosalie, Mary Louise, Gerri, Louis, Greg, Frances, and Virginia,
The best brothers and sisters a girl could ever want. Your baby sister is finally graduating and I could not have made it without your support and help every step of the way. All my love and thanks to you!

To my Parents,
For having the difficult task of laying down parental authority when necessary and being patient and tolerant through it all. I've been quite a taskful and more than anyone could want during their lifetime, but never once have you stopped loving me. For this and for all that you have done for me and meant to me, I thank you with all the love in my heart!!!

To the most important man in my life, Dad,
You have been more than just a father to me, you have been my best friend. It would take a lifetime to express my love for you and words alone cannot express my gratitude, but hopefully these words will shed some light.

"To Sir With Love"

Those school girl days of telling tales and biting nails are gone, but in my mind I know they will still live on and on. But how do you thank someone who has taken you from crayons to perfume, it isn't easy but I'll try. If he wanted the sky I would write across the sky in letters that would soar a thousand feet high, To Sir With Love. The time has come for closing books and long last looks must end and as I leave, I know that I am leaving my best friend. A friend who taught me right from wrong and weak from strong that's a lot to learn. What, what can I give you in return. If you wanted the moon I would try to make the stars, but I would rather you let me give my heart, To Sir With Love.
(From the Columbia Pictures release "To Sir With Love")

To my precious Little Sister Elga,
You have been an important part of my last year at Conaty and you have made this past year so very special. Thank you for being a wonderful, caring little sister and for being there when I needed that extra ounce of love that only you could give. Words are too few to express all the love I have for you, but always remember that your big sis loves you and you will always hold a special place in my heart!

To Edna,
I wish you and Elga luck in your years ahead at Conaty and I know the both of you will make me proud! I have faith that you will do your best because the both of you are the best!!! Edna, please keep a special eye on Elga and take care of her for me. I'll miss you both very much, but I know we'll be together in heart, spirit, and mind.

To my Big Sister Martha '84,
Though you were not with me my last years at Conaty, you were always in my thoughts. Thanks for being a wonderful big sister and seeing me through the first year of my trek.

To my dearest friend Gina,
You have done so much for me that I would not know where to begin. You were always there when I needed a shoulder to cry on and a heart to listen. It was you who helped me realize that it is better to let my feelings out because there are people who care, you cared. It was from your caring that I realized how much I cherish our friendship and how much you mean to me. Never lose sight of our friendship and of all our times together because it is these special memories that will always keep us together. Thank you Gina, for believing in me and for seeing beyond what others see.

To my dear friends Diana, Xochitl and Isabel,
I want to thank you from the bottom of my heart for putting up with me and for being by my side when I needed you. Though at times I know I wasn't the easiest person to deal with, you were true friends and never gave up on me. When I look back and think about the treasured moments and friends, the three of you will always come to mind! I'll miss you, but I will never forget you.

A special thanks to the Glorioso Family for all their kindness and hospitality for which I am truly grateful for. An extra special thanks to Ray Aquino for all that he has done for me and for being a wonderful friend. I hope you know Ray that I will always be here for you. Thanks for everything!

To the Class of 1987, the greatest group of people that I have ever known! I wish to thank each and every one of you for contributing to my life in your own special way and most especially for making me the person that I am today. You are the best there will ever be!!!

With Love
Grandma

Dearest Ray,

You're the sunlight of my day, you're the stars of my night. You're the breeze in my spring, you're the reason when I sing. You're the warmth of my summer, you're the blossom of my flower. You're the blanket in the winter, you're the answer to my prayer!!! Ray, thanks for all the smiles; for all the helping hand you've lent, for all the special confidences and advices you took the time to share and for all the little loving ways you show me how much you care. Ray, you're a very special person in my life. Always remember that I Love You and you don't have to worry, for it is kept in a private place, untouched by the world, safe from time, forever treasured, within my heart. We are a perfect pair!

Dear Bernie (Bernsky),

You're that special kind of friend, that everyone wishes they could have. I always know when we're apart — that we're still close and we're together. Our time will be spent enjoying it to the fullest, it's not everyone that can have a special friend like you and I'm proud to say that I do! With you Bernie, I know that I have found a lifetime friend I have always wished for. "Summer 1985", "We Laugh Together, We cry Together".

To all my special friends . . . Bernie, Marilou, Marissa, Julie, Judy, Simona, Monica, Liz, Sofia, Chris, my lil sis Emelyn, etc. Today, I wish all of you the happiness that you are so deserving of. I wish that all of your dreams will be fulfilled and that sunshine and laughter will follow you wherever you go. I wish you all smiles, new adventures, new frenz and success in everything you do. I wish all of you the best of everything, to match the best in each of you. And one more wish I have, more for me than for you, I wish I could be there with all of you, special friends, to see all of these wishes come true. I Love You and I'll Miss All of You!!!

Dear Dad, Mom, Gilbert & Da,

Thank you so much for all your encouragements, your support, for your patience, for understanding me when no one else seems to understand, for all the guidance and most of all, for all the love that you have given me. No one can top any of you. I am ever so grateful for having such wonderful family. You're just simply the greatest! I Love You.

Dear Sofia,

Hey scammer, I guess you're not going to get me in trouble anymore huh?j/k You know, I'm so thankful we got to know each other better this year. I only wish it could've been sooner. I'll miss all the crazy times we spent in Physical Science, cooking with Sofia & Gina . . . camera action! the physicist explosion, our favorite expression, "What's wrong honey?" R'member the booger in Life after Life?, our cheer in Drama and all our other memories. I had to much with you, I hate to say goodbye. I hope we can keep in touch throughout the years. Take care and you better stop scamming!!!

Dear Marissa,

There's so much I want to tell you, I don't know where to begin. You don't know how happy I am to have gotten to know you again this year. Marissa, you're a real special friend. I hop you don't ever change, because I know and I'm sure most people would agree that you're one of the most caring people around. I hope we can always remain friends even if we don't know what path tomorrow will find us walking. Take it easy ok and don't worry, everything will work out just fine for you!

Dear Foolish Woman (Marilou),

How's business, woman? It's been 6 yrs. that we've known each other and I'm glad we became such good friends. I just want to thank you for the friendship that we've shared all these years. Thanks for teaching Laura and I about "the facts of life". Here we are, graduating again, I hope that we can always keep in touch. Pleezy & Teezy, Marilou the C- - S - Mol- - - - r, "Little Shop of Horrors — the Temptators," and all our other memories. You better not forget it!

Dear Chris,

It's not often that we get the chance to tell our friends how thankful we are for what they've done. But what better time than today . . . to tell a friend like you. Chris, thanks for everything you've done for me. Although we didn't get off to such a good start sophomore year, I'm glad we took the time to get to know each other. I'll miss you and I wish you everything that brings a world of dreams come true . . . and joys that grow from day to day through all the years to come!

With all my Love,
Gina Glorioso

Dear Isabel (Rabanitos),

Isabel first of all I'd like to congratulate you for coming this far in high school. I'm pretty sure your parents feel proud of you, cuz I'm very proud of you. My parents also feel that you've come a long way, not just in high school but with our relationship.

Isabel I hope that you don't let times that we are apart for such a long time discourage your feelings toward our relationship. Babe, I LOVE YOU the most for the hard times that you were going through while I was at my Navy Boot Camp and my "A" School.

Now I can feel proud and call you my fiancee. I think that this West Pak I'm going to be on for six months will be easier on me. Easier on me, in the sense that I will know that my Babes is safe at home and that she doesn't regret any of the commitments that we've made to each other. Isabel, before you know it we'll be walking down the stretch together. "WE DO, WE DO!". Don't forget this: "YOU CAN TAKE A HUMAN BEING AND CHANGE A LOT OF THINGS, BUT YOU CAN'T TAKE HIS LOVE." That's why I love you, Isabel! Hang in there Babes. See Ya real soon.

Your One and Only Love,
Jose

P.S.
You can thank you good friend Xochitl Flores for convincing me and going through the trouble of getting my ad in on time for publishing. Good luck Isabel & I LOVE YOU!!!

Para mis Padres,

To the Senior Class of '87

As we reach out our hand
The diploma we grasp
While we think of the memories
Of the years in the past
Tears fill our eyes
Because it's all gone,
We're starting a new life
We have to move on.
We hope friends will keep in touch
As the years pass us by
Although it hurts inside
We'll try not to cry
We think of kindergarten
And our first day
Now we've reached the end
We are going away
How do you say good-bye
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending,
Think a new life has begun.

To my family,
Ma & Pa,
Well, I made it! I love you both.
Malou & Bhoy,
Hey, I made it! Thanks for never doubting my ability to do so and for supporting me and always looking out for me. Although we're miles away from each other, you're always in my thoughts and in my heart. You two are the best! I love you both!!!
Net, Brad, Noreen, & Katherine,
Thanks for the great weekends we spent together. I hope that there will be more to come! You guys are the greatest!

Liz F., Ceci R., Linda R., Rachel B., Armendariz, Velia B., Chela U., Sharlo N., Silvia A., & Hilda M.,

It's not often that someone
Like you comes along,
To make a difference in
Another person's life,
As you have made in mine
By just being what two people
Can best be to each other ...
FRIENDS.
I believe that our friendship
Has grown into something
SPECIAL because we NEVER
Expected anything more of
The other than FRIENDSHIP,
And because we NEVER gave
Anything LESS.

Sharlo,

To Carol, Tina, Gina, Liz N., & Arthur,

My friend,
We have come such a long way
In the time that we've known each other.
We've given each other encouragement
And have accomplished things
That we never thought we could do.
I have become a better person since knowing you
You have given me many things
Which I will treasure for a lifetime
And the most important thing of all
Is the gift of your friendship.

To all my friends, mentioned and not mentioned,
Thanks for the wonderful friendship I share with each of you. You each helped me become the person that I am today. Each one of you holds a very special place in me. I'll always cherish the moments we spent together — from goofing around to being serious. Thanks for always being there for me — always ready to listen and ready to help. "Friends are like diamonds, very precious and very rare!!!"

J. McKnight, J. Clark, & P. Mauricio,
I'm so glad that you each entered my life. Times spent with you were the best! I hope that we'll always remain special friends because "special" is what each of you will always be to me. Thank you for still keeping in touch with me and for always being there for me. Thanks for the wonderful memories and for the love you've given me. You've got it all!!!

Xochilt F., Xochilt S., Simona, Isabel V., Diana D., Kim H., Maria G., Monica B., Kathy A., Renette G., & Terry J.

Thank you for sharing yourself ...
It started with a simple "hello",
But as time passed we
Started talking more and more,
Learning a little each time
You listened to all my feelings
And I learned about yours
Not knowing then how
Close we would become
Now through our talks
We not only learn
How much we have in common,
But also that we'll be there
For each other
Always.

Queridos Padres,

Gracias por todo lo que ustedes han hecho por mi. No se como excribir en palabras lo mucho que significan para mi. No hay ninguna palabra que signifique todo lo que yo siento por ustedes. Yo se que casi nunca les digo que los quiero, pero cada vez que les doy un beso o un abrazo mi corazon les grita que los adoro mucho y que nunca parare de amarlos. Todos los dias le pido a Dios que me los conserve en buena salud, porque queridos padres ustedes significan todo para mi. Y por eso les doy las gracias por todo lo que ustedes han hecho por mi y por mis hermanos. Quiero que sepan que yo hare todo de me parte para hacerlos unos padres muy dichosos porque ustedes merecen todo y mas. Nunca olviden que yo los amo a los dos. Padres que Dios me los bendiga!

Su hija que los quiere mucho,
Nora Robles

Dear Helen,

I just wanted to take some time to thank u 4 being a sis in the good and in the bad times. I want u 2 know that if ever u need someone 2 talk 2 I'll B here to listen (Don't you think it's about time?!?) Because I don't only want 2 b your sister, but also your friend. Thanks 4 giving me such an "ADORABLE" little nephew. Take good care of him and remember I LOVE U BOTH!!!

Nora

Dear Albert,

Well Sweetie, I just wanted to take some time 2 tell U how much I love you. I know you can't read right now, but there will be a time when U will be able 2 look back into this old yearbook, and read how much U mean to me. I just want U 2 know that if ever in the future U need advice or need help remember I'm here. (What R Big Sis 4?!?)

I Love You!
Nora

Dear Angel Jr.

Cutie, you're so adorable. I know U don't even know who I am now because you're bearly 5 months, but let me tell U that I love U lots! Not only because you're my nephew but also because you're part of us. You coming into this world made the family so happy. U liven up the family by the cute things you do, and especially by your laughter. I'm writing this in hopes that someday, you'll open this old yearbook and see how much your aunt loves you, and that every time I carry U, my love 4 U grows stronger. Stay sweet.

I Love You, Your Aunt,
Nora

My Dearest Love,

I have no words I can say, none that will let U feel my love or see my thoughts. Rather all I can do is show U in what I do that all I have, all that I am is here 4 U. This past 2 yrs. have been very special 2 me. During this time we got 2 know each other better and most of all, my love 4 U grow stronger. Yes, I know, we are miles and miles apart, but I want U 2 know that your love is always in my heart.

Each hour, each day seems like forever when were apart. The days we see each other R so meaningful 2 me that the moment we part I begin 2 anticipate the next time we'll be together again. I never thought I would ever fall in love again, now would they'll ever be someone who I could trust so much. Until U walked into my life, I knew that I had found love once again. Sweetie, you mean so much 2 me. I just wish that 4 just one moment U could B me, just so U could know how much I honestly love U!!! Because not only R we boyfriends, but also we R friends. I trust U so much, that whatever time has in store 4 us, I look forward 2 our tomorrows, and loving our yesterdays. I want U 2 know that if EVER there is a problem involving the 2 of us, I hope that we will always come 2 each other first. Because just as it took 2 of us 2 fall in love, the 2 of us can overcome any problems that ever gets in the way.

May our love blossom into something so beautiful because having U in my life makes my life so complete. I want U 2 always know how thankful I am 4 our beautiful relationship.

I can go on and on saying how I feel about you, but I must reduce the way I feel into 3 small words, because they are the only words that can begin to say what is written in my heart . . .

I LOVE YOU!!!
Nora Robles

Finding a special friend is really a matter of time . . .
The time that it takes to be kind,
The time that it takes just to listen and talk,
To help someone find peace of mind
Finding a special friend is really a matter of time . . .
The time that it takes me to do a thoughtful and generous favor that wasn't expected of me,
The time that it takes someone to know that I'm there.
Finding a special friend is really a matter of time . . .
The time that I take when I care and love.

To My Sweetest Dimples,

Sweetheart, I want to take this time to thank you for all the moral support you have given me these past two years. You were the one who actually taught me "SELF-CONFIDENCE" and from that, nothing would be incapable of achieving. Thanks for always believing in me and for encouraging me whenever I became disheartened. There are no other words I can say to express how grateful I am but three — I LOVE YOU. And I'll see you at CSLA!!!!!

C.E.M/s

To MY Dearest Best Friends: Cheeks (A.T.) Foxy Ozzy (C.E.) and Banana (A.L.).

I can't believe the time has actually arrived. Even though it's a memorable and traditional experience to GRAD, I'm going to miss you guys terribly!!! The three of you have taught me so much, that I feel like a brand new "ME"!! Thank you for being so patient and understanding and for all those wonderful (better yet) "HILARIOUS" moments we have shared — Even the agonizing meetings C.E. and myself called up so we could all talk things over. You'll always be engraved in my heart and don't ever forget that!!!! You are like the sisters I never had. (Don't hesitate, I'll always be there!!)

Love, Claja

Cheeks,

Well A-N-N-A, I can't imagine we've become so close these past few years and GRAD is approaching. I want to thank you for being the Best Friend EVER!!! Thank you for always being loyal, patient, and truthful with me. I'll never forget all the great and painful times we've experienced together. You know, our "BIG PROBLEMS" which were hard to overcome, going to CSLA, USC, the "MOOSE—C.E.", "Cally", Halloween at your house — DRAMA, USC's football game, "HELL" in govt., your "obnoxious" friend, the long angel-like phone conversations, My Sizzler encounter — remember?? And Carlos — your old buddy you saw to the bus, going to the mall, trying to dupe your dad on his B-day, "UCLA REP." But most especially, all those moments that bonded us. Good Luck at UCLA "Psycho". Take care and I'll miss you a lot!!

Foxy,

We've finally made it Carla! It seems such a short time has come. I'm going to miss you Carluchita and your warm smiles that helped me go through the day. Please don't ever forget you a friend to back you up (and at CSU as well). Thanks for being so loyal and compassionate. You deserve the BEST!!!!!!

Banana,

Our four years vanished so quickly but at least we have the memories to cling to. Thanx for being there with me in the most painful times of my life. You've been the greatest!! Hope you'll attain your goals some day — The Very Best Of Luck!!!!

Suz '86,

Unbelievable huh? Suzzie, thanx for being a wonderful, loving and patient big sis. I appreciate all the advice and warm times we shared throughout these six years. I'm sorry for taking long to write you back but I hope you will always keep in mind that I haven't forgotten about you. You'll always take part in this lil' heart of mine. Best of Luck in the Computer Industry! Love you and Miss Ya!

To: Ms. Miner, Berg, and Welch

I'd like to thank you for all the help, advice, and time you've given me. Ms Miner — making you go crazy over Acc. "PROBLEMS" and Comp. Lit; Ms Berg — always hovering over you during break and lunch w/ Cheeks, Carla, and Michele and especially bugging you about my grades (SORRY!!!); Ms Welch — for letting Anna T. and myself call you (Ms Welchie-Poo) and for not minding when we interrupted your class just to say HELLO!!
